BLOOD

Introduction

This is an appendix for the bible study on *Atonement*. The Atonement speaks to the atonement of Jesus as required by God in His blood for the forgiveness of sin (our sin, not His for Jesus lead a sinless life.) Due to fallen humanity's sin nature, it is impossible for those without the indwelling of God's Holy Spirit to comprehend the magnitude of sin to our holy God and why without the shedding of blood, there can be no forgiveness.

"Well, that seems rather morbid!" retorts the person without the Spirit of God. "What kind of barbarism is this? ... What kind of God do you serve?" I hardly believe there is a minister of Jesus Christ that did not need to address that or a similar type statement at least once in their ministry. My response is always the same. "A holy, loving and perfect God that is repulsed by sin. Sinful humanity with it's sinful nature is blind to the evil and magnitude of sin. We're all too comfortable with sin due to our fallen, prideful nature. We have no real comprehension just how evil and barbaric sin is when compared to our holy God."

Significance of Blood

There has always been a sacredness associated with blood. Life is In the blood and in the quantity of blood all of our bodily and life activities depend. It is the basis of physical life. The soul is the entirety of all aspects of man, man is a living soul. The spirit of man is all the cognitive and intellectual and reasoning abilities that distinguish man in the image and likeness of God and is also associated with the bodily essence of life in the blood along with the breath of life. As the body inhales the breath of life, the blood is the primary vehicle for transporting needed oxygen throughout the body.

Spirit = Life. Essence in *Nature* and its *Qualities* of being. Man, animal or God

Soul = Life. Essence in Blood, Breath. and Spirit

Body = Flesh. Life imparted to the body through the Soul.

For many years I have been studying the biblical meaning of body, soul and spirit from both Old and New Testaments. There is further study and refining that needs to be done. There has been occasions in Scripture where spirit and soul is used interchangeably. The above constitutes my best efforts to date. The study continues.
